DUBAI SPORTS CITY

The **Dubai Sports City** stadium complex will feature four arenas for different events. Separate stadiums for cricket and hockey; outdoor multipurpose stadium for football, rugby and track & field; and an indoor multipurpose stadium for basketball, volleyball, netball and other hard-court indoor sports complete the Sports City master plan. Dubai Sports City will be home to international franchises and brands such as Manchester United, Butch Harmon School of Golf and David Lloyd's Tennis Academy. The 18-hole Victory Heights championship Golf Course.

Other sporting facilities will include the Plantation, Polo and Equestrian Center. This large **Dubai Sports City** project comprises four full-size polo fields, several paddocks for show jumping and dressage as well as a man made cross-country horse competition track complete with ditches, hills and other obstacles.
