

2.7 Student Satisfaction Survey

2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as web link)

The Student Satisfaction Survey was analyzed through chi square test. The result revealed that the overall rating of the college and the student's opinion towards Teaching-Learning and Evaluation are favorable. The students highlighted that the character building, canteen, Toilet, Drinking water, Library and Placement facilities are favorable. The opportunities for sports development and other common skills are unfavorable.
